12-MONTH MLM INVESTMENT PLAN

Uptrend Market introduces a structured 12-month MLM-based investment plan designed to provide clients with gradually increasing monthly returns while maintaining a stable, transparent, and fair commission distribution system across the referral network. The plan encourages long-term participation and sustainable network growth.

Key Highlights

- Monthly returns increase progressively over 12 months
- Fixed introducer commission for direct referrals
- Multi-level commission distribution across the network
- Clear and transparent reward structure
- Designed for consistency, growth, and retention

PROGRESSIVE MONTHLY RETURN MODEL

Uptrend Market follows a structured and progressive monthly return system that rewards clients for long-term commitment. The return begins at 1% in the first month and increases steadily by 1% every month, allowing clients to benefit from higher returns as they continue through the 12-month investment cycle. By the end of the 12th month, clients receive a maximum monthly return of 12%, reflecting consistent participation and trust in the platform.

For example, a client earns a 1% return in the first month, 2% in the second month, and the return continues to increase by 1% each month, reaching up to 12% in the final month of the plan.

Key Highlights

- Returns increase gradually from 1% to 12%
- Encourages long-term investment stability
- Transparent and easy-to-understand return structure
- Designed for steady growth and sustainability

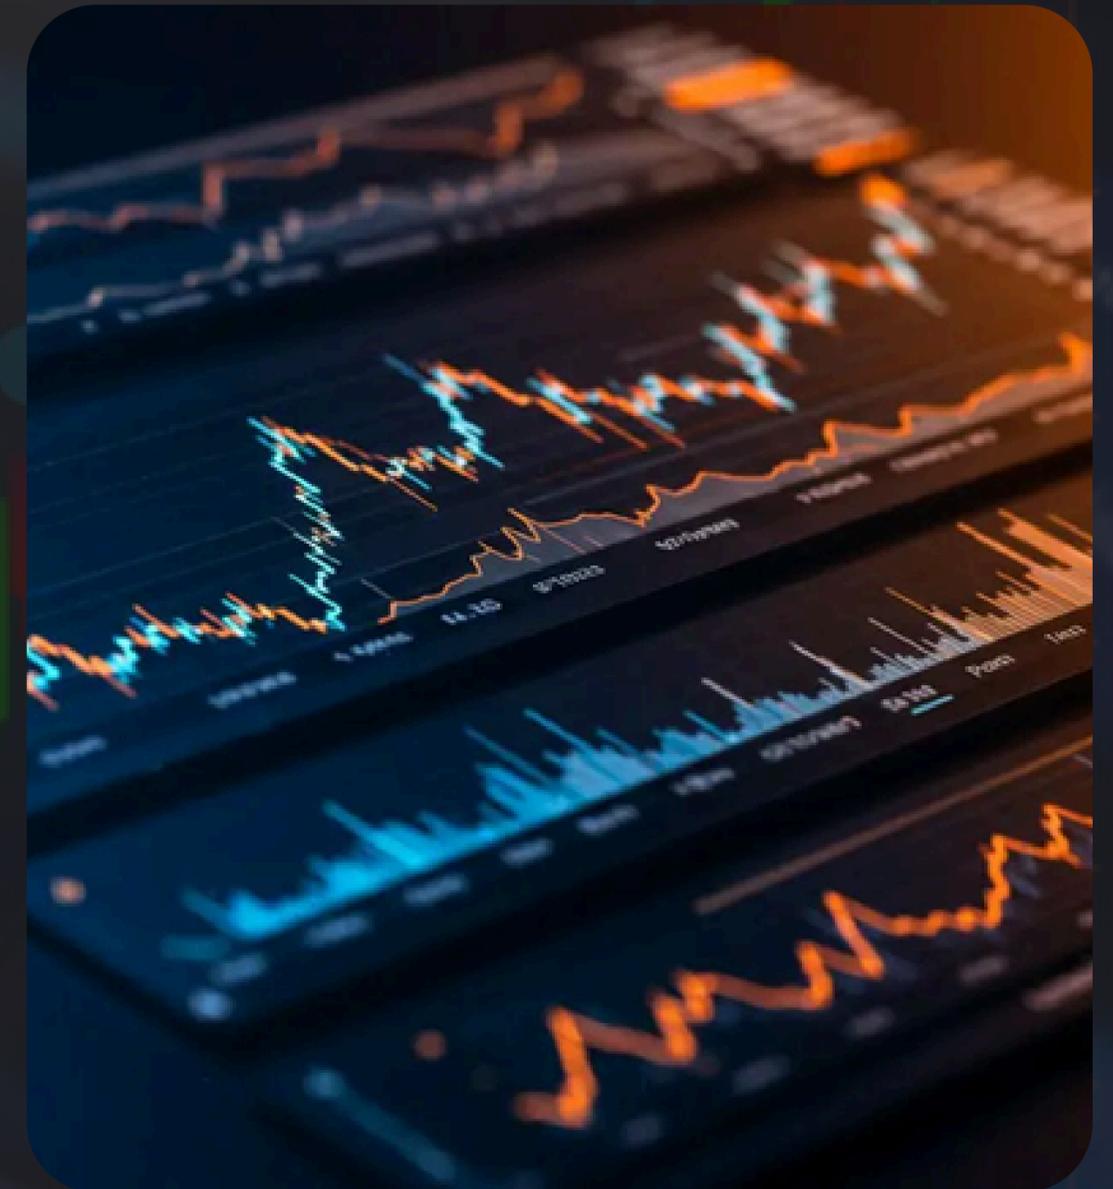

DIRECT REFERRAL REWARD PROGRAM

Refer Directly. Earn Instantly.

Uptrend Market, an introducer earns a fixed 2% commission for every client they directly refer to the platform. This commission is calculated on the client's package or investment amount and is credited regardless of the client's monthly return structure.

Example :

- If you directly refer a client
- And the client invests \$1,000
- You receive a fixed 2% commission = $\$1000 \times 2\% = \20

Multi-level Commission Distribution

Uptrend Market follows a fair and transparent 5-level MLM commission structure designed to reward network growth. A total of 1% commission is distributed equally across all five levels, ensuring that each level benefits from the overall network activity. This structure promotes balanced earnings across the network while encouraging long-term expansion and team participation.

| Level | Commission (%) |
|---------|----------------|
| Level 1 | 0.40% |
| Level 2 | 0.25% |
| Level 3 | 0.15% |
| Level 4 | 0.10% |
| Level 5 | 0.10% |
